V. Religious and Anniversary Exercises.

In addition to a daily Prayer Meeting, at 5½ o'clock, A. M., for the promotion of holiness, and a Conference prayer meeting, at 8½ o'clock, A. M., the following services were had :

WEDNESDAY, OCTOBER 2nd, 1872.

At 3 o'clock, P. M., Rev. J. B. Little preached a plain, earnest discourse on Purity of heart and growth in Grace. Text, Mal. 4: 2.

At 7½ o'clock, P. M., Rev. A. G. Watkins preached to a large congregation, from 1 Cor., vi: 19, 20. The doctrine of Sanctification and devotion to God's work was feelingly impressed by the preacher, and heartily responded to by the congregation.

THURSDAY, OCTOBER 3rd, 1872.

Rev. Wm. M. Haskell, of the Western New York Conference, preached at 3 o'clock, P. M., a strong, earnest discourse, urging again the doctrine of sanctification.

At 7½ o'clock, P. M., the anniversary of the Church Extension Society was held. The exercises were introduced by the President Rev. J. F. Spence, who announced the 100th hymn, after the singing of which Rev. Dr. Taylor led in prayer.

The large audience present was addressed by Rev. J. R. Hughes, Rev. J. W. Mann, and Rev. Bishop Merrill. The very interesting exercises were concluded by taking a collection, which amounted to \$25 65.

The benediction was then pronounced by Bishop Merrill.

FRIDAY, OCTOBER 4th, 1872.

An able sermon was preached at 3 o'clock, P. M., by Rev. N. G. Taylor, D. D. Text, Ps. cxliv: 15.

At 7½ o'clock, P. M., occurred the anniversary of the Missionary Society.

Rev. R. W. Patty opened the exercises and read the Treasurer's Report; after which the President introduced the first speaker, Rev. J. B. Ford, who delivered a short, but pointed, and practical address. The next speaker introduced was Rev. Dr. Dashiell, Corresponding Secretary of the Missionary Society. His address, full of thought, information and power, chaste and thrilling, will not soon be forgotten by the large audience which he held spell-bound from first to last. That speech will tell.

SATURDAY, OCTOBER 5th, 1872.

At 2 o'clock, P. M., Rev. F. M. Fanning preached a memorial discourse in honor of Rev. W. A. Marshall, deceased. Text, 1 Jno. v: 4.

At 10½ o'clock, A. M., Bishop Merrill preached from John, xvii: 22. The sermon was characteristic of the preacher—marked by the simplicity, originality and real substantial ability which distinguished the editorial columns of the *Western* during the last quadrennium.

The sermon was followed by the ordination of deacons.

Preceding the ordination to Elder's orders at 3 o'clock, P. M., Rev. R. L. Dashiell, D. D., preached. His addresses on Friday and Saturday evenings were sufficient to call out such crowds to this afternoon appointment that many were unable to obtain entrance, and stood about the windows patiently and anxiously listening during the whole discourse. The text was Eph. vi: 19—an appropriate subject, handled with singular skill and ability, and with manifest and powerful effect.

The evening service was conducted by Rev. J. L. Mann, who

preached from the text, "God forbid that I should glory, save in the Cross of our Lord Jesus Christ."

WHEREAS, Certain Church Property questions are still unsettled between members of the M. E. Church and members of the M. E. Church, South, and,

WHEREAS, It is very desirable for the interests and honor of Christianity that all these questions be satisfactorily adjusted as soon as practicable, by the mutual agreement of the brethren concerned, if possible, and not by the courts; therefore,

Resolved, 1. That as a Conference, we earnestly desire that all these unsettled property questions within our bounds, whether in or out of the courts, be adjusted and settled on the principles of Christian equity and charity, as soon as possible.

2. That while we have only an advisory power and influence in the prem-

ises—all the property in dispute being held by local trustees—yet we hereby advise and urge all our members having possession of any such property, to hold themselves in readiness to adjust every case on the ground of equity and charity, as soon as the brethren on the other side are willing to meet them in the same spirit.

Albert Hyden, be and are hereby appointed as a Board of Commissioners from this Conference to act in conjunction with a similar board from the Holston Conference of the M. E. 4. That a copy of this Preamble and Resolutions be forwarded by our Secretary to the Holston Conference of the M. E. Church, South, at its ensuing session in Chattanooga.

5. That in case the Board be fully constituted by the appointment of five Commissioners on the part of the Holston Conference of the M. E. Church, South, for this purpose, to act with those appointed by this Conference, we hereby advise our people to submit to said Board for final decision any question which they have failed to adjust.

REPORTS TO BE MADE ON FIRST DAY.

Resolved, That the preachers in charge of stations and circuits be and are hereby instructed to prepare their reports in full as required by the Discipline, and hand them to the respective committees on the first day of the next session of the Conference; and that the Presiding Elders are requested to give their personal attention to the matter, urging promptness upon the ministers of their districts in being prepared as above instructed.

NOTICE TO BE GIVEN OF CHARGES.

Resolved, That no member of this Conference shall bring charges against another member, or attempt to arrest his character, without having given to the accused due notice in writing.

PRESIDING ELDERS TO REPORT THE NAMES OF LOCAL PREACHERS.

Resolved, That each Presiding Elder be required to ascertain the names of all Local Preachers within the bounds of his District who expect to attend the session of Conference for ordination, and report the same to the preachers in charge where the Conference is to meet, long enough before the time of meeting for arrangements to be made for their accommodation.

EXAMINATIONS.

Resolved, That it is the sense of this Conference that all the examinations should be attended to on the day preceding the opening of Conference, and

that persons failing to attend at the time appointed for examination be continued in the same class for the ensuing year.

REPORT OF COMMITTEE ON FREEDMEN'S AID SOCIETY.

Your Committee have with great care considered the work assigned them, and are impressed with the importance of a proper understanding of the object and work of the "Freedmen's Aid Society."

The meager reports from the various stations and circuits of the Conference indicate to us that many of the preachers either do not know what is the object of the Society, or are indifferent to its claims. We, therefore, recommend for adoption the following resolutions:

Resolved, 1. That each preacher be requested to read with care the report adopted by the last General Conference incorporating the Freedmen's Aid Society as one of the regularly organized Societies of the church, demanding the same attention from the pastor as the Church Extension, Missionary, and Tract Societies.

2. That we will take a collection in all of our congregations for the Society.

3. That we will welcome to our pulpits the Corresponding Secretary or any of the Agents appointed to look after the interests of the Society.

Respectfully submitted,

J. B. FORD, *Chairman*.

I.

REPORT OF THE COMMITTEE ON THE SANCTITY OF THE SABBATH.

We carefully submit the following:

WHEREAS, The proper observance of the Sabbath lies at the foundation and is the basis of all civil and religious institutions; and,

WHEREAS, There are in our widely extended, and still more widely extending country, millions of Europeans, and the number is yearly increasing; and,

WHEREAS, This foreign population are for the most part infidels or Roman Catholics, and are giving all of their influence to bear against the proper observance of the Christian Sabbath; and,

WHEREAS, The Railroad and Steamboat companies, by the running of their trains and boats on the Sabbath, withhold from their employes the benefits derived from the proper observance of the Sabbath; therefore.

Resolved, 1. That we will do all we can to influence the people of our charges to strictly observe the Sabbath, by refraining from all secular business or social visiting and Sabbath traveling.

2. That we will in all of our congregations preach one sermon the ensuing year upon the proper observance of the Christian Sabbath.

3. That in all of our Sabbath Schools we will try to impress upon the youthful mind the great evil of Sabbath breaking.

Respectfully submitted,

W. H. ROGERS, *Chairman.*

J.

REPORT OF COMMITTEE ON BOOKS & PERIODICALS.

I. There have been no accounts referred to the Committee by the Agents of the Book Concern.

II. On the subject of Periodicals your Committee Report as follows:

WHEREAS, Our Periodical Literature has done incalculable good in the promotion of Christianity; and,

WHEREAS, We are laboring to establish Methodism upon a firm basis within the bounds of Holston Conference; therefore,

Resolved, That we are more than ever impressed with the importance of circulating our Periodical Literature.

Resolved, That we greatly rejoice in the enlargement of the *Methodist Advocate* located at Atlanta, Ga., and that we heartily endorse it under its present editorial management.

Resolved, That as ministers we will employ our best efforts to place the *Methodist Advocate* in every family connected with our congregations within the bounds of our Conference.

Resolved, That we will work diligently in circulating the *Ladies' Repository*, *Golden Hours*, and *Quarterly Review*.

J. A. RUBLE, *Chairman.*

K.

EDUCATION REPORT.

Your Committee on Education have attended to their duty, and submit the following

REPORT ON ONE CENTRAL UNIVERSITY.

The Resolutions of the Knoxville Educational Convention which were referred to this Committee, propose the establishment of One Central University for the M. E. Church in the Southern Conferences—and schools of lower grade in each Annual Conference, to be tributary to this Central University; Now,

WHEREAS, This plan coincides with the recommendations of the Education Committee of our last General Conference, as well as with the judgment of our best educators throughout the country; Therefore,

Resolved, 1. That the wisdom of this plan commends itself to the judgment of this Conference.

2. That a Committee of Five, consisting of Rev. J. F. Spence, Rev. R. H. Guthrie, Prof. H. Presnell, Rev. N. E. Cobleigh, D. D., and Prof. P. C. Wilson, be and hereby are appointed to act with an equal number to be appointed by each of such of the adjacent Annual Conferences as may be willing to act in accordance with the plan of the resolutions touching this subject passed by the Knoxville Education Convention, herewith submitted, viz:

WHEREAS, It is generally conceded that the energies of the church are wasted, her money squandered, and her educational work imperfectly performed by the attempt to establish many institutions of the highest grade; therefore,

Resolved, 1. That this convention believes it possible now to systematize our entire educational work in the South, and, avoiding many of the errors of the past, place our schools in condition to yield the highest results for the expense, labor and talent employed.

2. That for purposes of higher education it is our judgment that one college or university can be made to meet our necessities, and will sufficiently tax our means of support, and that we should therefore, for the present at least, concentrate our efforts upon one.

3. That for the purpose of securing this, we recommend that each Annual Conference appoint a Committee of Three, and that these committees, in conjunction with a committee of three to be appointed by this convention, be a joint committee to either agree upon an institution already founded, or locate, name and procure a charter for a new one. When three or more conferences shall have appointed committees in accordance with this resolution, the chairman of this convention's committee shall call a meeting of all the committees, which meeting shall choose its own officers.

CONFERENCE EDUCATION SOCIETY.

Resolved, That in accordance with the request of the officers of the Educational Society of this Conference, we recommend that said Society be made auxiliary to the Education Society of the M. E. Church, and that its constitution be so changed as to conform to the recommendations and requirements of the parent Society.

COMMON SCHOOLS.

Resolved, 1. That this Conference most heartily favors the education of all the children and youth of the country, of whatever race, and firmly believes free common school instruction to be the safeguard of our liberty, and the handmaid of our religion.

2. That we will oppose with all our power the attempts of Romanists and infidels to exclude the Holy Scriptures from the common schools.

EAST TENNESSEE WESLEYAN UNIVERSITY.

This Institution is still pursuing with success its career of usefulness. The former thorough scholarship and excellent department are still maintained.

Provision will be made for furnishing free tuition to all students needing aid, who are preparing for the ministry of our church; and it is earnestly hoped that young men who feel called of God to that work will be directed to this Institution, and that the Conference will discourage them from entering its ranks with meager literary qualifications.

In common with all other schools of the same grade, our college fails to meet its current expenses by the receipts from tuition. Its debt also, though considerably reduced by the payment of money obtained by its agent, Rev. R. D. Black, still amounts to about \$2,000, which ought to be paid speedily.

We would recommend the adoption of the following resolutions:

Resolved, That we will take pains to disseminate information regarding the University, and to secure for it as many students as possible.

Resolved, That we will endeavor, either by public collections or in other ways, to obtain funds to meet its current expenses, and to liquidate its debts, and to make necessary repairs on the building.

We recommend the following persons as Trustees for three years, they having been nominated by the Board of Trustees, viz: Rev. N. E. Cobleigh, D. D., L.L.D., Rev. John F. Spence, Hon. Milton L. Phillips, Major James H. Hornsby, Meredith A. Helm, Esq., Jacob S. Matthews.

In conclusion we recommend as a Board of Visitors the following Brethren, Revs. J. B. Ford, R. Pierce, J. L. Mann, F. M. Fanning, N. G. Taylor, J. J. Manker, A. G. Watkins, J. S. Petty, and, also, Prof. W. O. Atwater, Prof. P. C. Wilson, M. M. Callen and Wm. Rule, Esq.

L.

REPORT OF COMMITTEE ON MEMOIRS.

IN MEMORIAM.

W. H. H. DUGGAN was born in Sevier county, Tenn., July 3rd, 1815. He professed religion at Pine Grove, Blount county, Tenn., October 9th, 1841. He was united in marriage with Miss Matilda Jane Brown, in Nov. 1837. He joined the M. E. Church, and was licensed to preach in 1843, and was admitted into the traveling connection in 1845, and received Deacon's orders in 1848, and Elder's orders in 1854. In 1862, he was driven, by the force of circumstances, to locate; but in 1865 he was re-admitted into the traveling connection; not to work as an effective laborer in the itinerancy, as he had done before, but to abide his time as a veteran soldier, worn out, and waiting the call of the Master to enter the world of reward. On the 11th day of August, 1872, he fell asleep in Jesus, and doubtless has gone where the weary are at rest, and the wicked cease from troubling.

W. C. GRAVES, *Chairman*.

M.

REPORT OF COMMITTEE ON TEMPERANCE.

We have nothing new to offer on this all-important subject. The facts are presented to us by unquestioned authority, that there are consumed annually in the United States, eleven million barrels of distilled spirits, not including, as we understand it, other intoxicating drinks of a milder character. This is about an average of one barrel to each family. From the same source we learn that no less than sixty thousand of our population find, annually, drunkards graves. Should not these facts stimulate every lover of our Lord Jesus Christ to action on this subject. The great difficulty in the way is, that the manufacture and sale of ardent spirits is legalized by legislative enactment, and nearly every city, town, and railroad station is cursed with these drinking saloons. Is there no remedy against this most fearful evil? The remedy, we believe, is with the people. And who has more direct access to the people than the minister of the gospel? We would recommend that each preacher bring the subject before all of his congregations, recommend it in private circles, urge it in families, and impress it especially upon children.

We will not discuss the moral principle involved in the use of Tobacco. We leave that to be settled between those who use it and their God. But it is our deliberate conviction that no person who uses tobacco in the ordinary way is fit to give words of encouragement to the sick and dying, nor to approach very near to a person groaning under a burden of sin to offer them the sweet promises of the Saviour.

Respectfully submitted,

SPENCER HENRY.

VIII. Holston Conference Education Society.

CONSTITUTION.

ARTICLE 1.—*Name.* This Association shall be called the EDUCATION SOCIETY OF THE HOLSTON CONFERENCE OF THE METHODIST EPISCOPAL CHURCH, auxiliary to the Board of Education of the Methodist Episcopal Church.

ARTICLE 2.—*Object.* The object of this society shall be, 1st. To assist in the education of indigent young men who are called to the work of the ministry. 2d To aid in the education of the children of traveling ministers, members of this Conference, who cannot otherwise obtain the necessary means of education.

ARTICLE 3.—*Members.* Any person may be a member of this society by the annual payment of one dollar into the Treasury. The payment of twenty dollars at one time shall constitute the person paying it, or the one for whom it is paid, a life member; the payment of \$100 00 a life patron.

ARTICLE 4.—*Officers.* The officers shall be a President, Vice President, Secretary, Treasurer, Corresponding Secretary and six Directors, of whom three shall be laymen. These, together with the life patrons, shall constitute a Board of Managers, and shall be elected annually, and shall hold office one year, and till their successors are duly elected and qualified.

ARTICLE 5.—*Section 1—Duty of Officers.* The duties of officers shall be similar to those pertaining to like offices in other organizations, so far as it is necessary to carry out the objects of the society.

Section 2.—The Board of Managers shall have power to make their own By-Laws, subject to the approval of the Society, and they shall select and decide who shall be beneficiaries and the extent to which each beneficiary shall be annually assisted.

ARTICLE 6.—*Section 1.*—Any person or persons making donations to this Society shall have the privilege of designating the person, or persons, for whose benefit said donation shall be applied.

Section 2.—All aid afforded by this Society shall be in the form of Loans; and no person shall receive aid except as provided for in Article 6, Section 1, until the Board shall be satisfactorily assured as to the following facts:

1. That he is of suitable age and in sound health.
2. That he has good natural powers of intellect and ability to learn.
3. That he is a person of undoubted Christian character, and a member of the Methodist Episcopal Church, of whose doctrines and discipline he cordially approves.

Every applicant for the Society's aid must also present a certificate from the Quarterly Meeting Conference of the Church of which he is a member that he needs pecuniary assistance, and that in their opinion he possesses gifts and grace that promise usefulness in the ministry, and that there is good reason to believe that he is divinely called to that work. Each applicant who shall have received aid shall annually exhibit testimonials from his instructors, that in intellect, diligence, progress, and general character, he is a proper person to receive aid from this Society. Every person who receives the aid of this Society shall, at least once a year, reassure the Board of Managers that it continues to be his serious purpose to devote his life to the work of the ministry in the Methodist Episcopal Church.

ARTICLE 7.—*Annual Meetings.* The Society shall hold a meeting annually at the session of the Conference, on the second afternoon of the session, for the election of officers, due notice of the same having been given, and shall hold a public anniversary on some night during the session, for which the Managers shall make the necessary arrangements.

ARTICLE 8.—It shall be the duty of this Society to present an annual report of its statistics to the Board of Education of the Methodist Episcopal Church.

ARTICLE 9.—*Amendments and Alterations.* This Constitution may be altered or amended at any annual meeting of the Society, by a majority of two-thirds of the members present, and voting, provided said amendment or alterations shall have been recommended by the Board of Managers at one of their previous regular meetings.
